West Virginia University is more than what you can see on a map like this. It’s more than a collection of buildings, classrooms and street signs. It’s the ability to go forward when others might go back. WVU is a place where ideas take shape and innovation is forged. And it’s a series of life-changing moments and memories. Use this map to find the physical places you need to go and the buildings you learn at WVU to go beyond what you thought was possible.

**PTT SCHEDULE**

WVU students, faculty and staff ride the coolest transportation around for free with their WVU IDs. The fare for the general public is 50 cents.

(Closed Sundays, University holidays and break periods.)

**FALL AND SPRING SEMESTERS**
